----------------	-----------	--

Name of Current School	Anticipated Date of Graduation
------------------------	--------------------------------

Name of first college/university choice

Volunteer Experience

Please briefly describe your volunteer experience(s) over the past two years.

Essay or YouTube Project

With Parts I and II of this application, student must write an essay or make a YouTube video (must be made public for KYCB to share and display #lovewhereyoulive and #kycb) about ONE of these topics:

- A) The anthropologist Margaret Mead once said, *“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.”* Pick a topic (sustainable habitats; source reduction; organic products; water quality- whatever is important to you) and give examples of how a small group of thoughtful, committed citizens can create a positive impact on the environment.

- B) A local government has to make a big decision: public lands to be used for a new shopping mall or for a public greenspace/park. Write a letter to the local government leadership expressing your opinion about the subject.

- C) There is a campaign in South Carolina created to meet or exceed its 40 percent recycling goal set for the year 2020. Besides reducing the need for landfills, what are other reasons you would use to convince your family to recycle?
