

Accessing ParentsWeb

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You may view your child's grades, attendance, and homework, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- Create your account using the email WGCS has for you. (If we have an email for your spouse, they can create an account too. If we don't, please provide it and we will add it to our system so both parents can have unique Renweb access.)
- In Internet Explorer, Firefox, or Safari, go to www.renweb.com and click **Logins**.
- Type the school's **District Code WG-SC**
- Click **Create New ParentsWeb Account**.
